

Greeks Raising the Bar

Winners: Spring 2016

Dear Chapter Leaders,

We would like to thank you for your participation in the "Greeks Raising the Bar" programming initiative for the Spring 2016 semester. Our goals of the beginning of the semester were to get the conversation started on issues related to alcohol, encourage members to take pride in being Greek, and keep members safe. We feel that your participation in the program shows your dedication to reaching these goals as a Greek community. Even if our programs have affected the lives of a few members, we are on the track to achieving these goals. We know how great Greek Life can be and by working together we can make it a better experience for everyone. We hope that you all have enjoyed the experience and we look forward to future collaborations in the upcoming semesters. Below you will find a breakdown for the tiers reached. Thank you for all of your dedication and enjoy the incentives that you have earned.

Sincerely,
GAMMA and the Wellness Resource Center
