So, you made an appointment at the Wellness Resource Center, but, unfortunately, something came up and you have to cancel! This guide will help you do so!

When you made your appointment, you should have gotten a confirmation email that looks like this:

*If you can’t find your confirmation email, go ahead and call the Wellness Resource Center to cancel at 573-882-4634

To cancel or reschedule your appointment, click the “Manage your appointment” button in your confirmation email! You will be taken to another webpage that looks like this!

Click the cancel button!

Then, click the confirm button!

FINAL PAGE: You have successfully cancelled your appointment
