

MU OPENS DOORS TO OPPORTUNITY THROUGH RESOURCES, SERVICES AND SUPPORT FOR STUDENTS WITH FAMILIES.

Juggling academic goals, family, financial and household responsibilities can take a tremendous amount of perseverance and dedication.

Students with parenting responsibilities often live at a frenzied pace and lack the time to seek out campus and community support programs or take time to ensure personal needs are being met.

The University of Missouri recognizes the challenges of parenting students and offers a variety of resources to help support academic and personal success.

THE SPC SUPPORTS PARENTING STUDENTS BY PROVIDING RESOURCES, INFORMATION AND SERVICES THAT SUPPORT STUDENTS' PERSONAL, EDUCATIONAL AND FAMILY NEEDS.
